Please send further details on the following (tick box as required):

Ref	Event	Summary	Tick Here
1	LBVCR Auction	The annual LBVCR Auction of veteran cars and collection related automobilia adds a further dimension to the occasion. Items for auction will be sourced from the world of automotive memorabilia with a veteran theme, plus a selection of period cars.	
2	LBVCR International Concours	The International Concours is set to be even more popular in 2010 as we invite up to 125 of the cars from the Sunday Run entry list. Previous events have been extremely well received and enjoyed by all concerned. The selected cars, along with many of the participants in period costume, will go on display along with demonstration runs and (pre-arranged) guest passenger rides.	
3	LBVCR Celebration Surprise Weekend	The LBVCR Organisers regularly receive many requests for passenger rides, as a special birthday, anniversary treat etc, on veteran cars in the world famous Sunday Run. As the majority of the cars have already reserved seats from eager relatives of the suddenly popular owner! it has not been possible to accommodate such wishes. However, the organisers are pleased to offer this exclusive opportunity to experience a ride in a veteran car during the Concours, and join in the festivities of the LBVCR event.	
4	LBVCR Bus Tours	Experience the excitement of the occasion and the cheers of the crowds that line the 60 mile route whilst following the veteran cars in the organised open-top double-decker buses which leave Hyde Park, London, on the Sunday morning at approx 8am after viewing the first 60 minutes of the start. In 2009 enthusiasts enjoyed the tour, soaking up the atmosphere and supporting the participants along the route, with just 50% occupancy on the open-top buses to allow enjoyment of either upper or lower decks depending on weather conditions.	
5	LBVCR Hospitality at Brighton	The Official Hospitality Pavilion is located immediately adjacent to the Ceremonial Finish Line gantry, providing first class glass-fronted views of the cars and their occupants arriving between the hours of 10am and 4.30pm. The pavilion provides corporate style hospitality with a VIP setting in heated, comfortable surroundings.	
6	LBVCR Hotel Accommodation with Kuoni DMC	A fine selection of quality hotels in both London and Brighton with rates especially negotiated for LBVCR participants and their guests.	See reverse.
7	LBVCR Special Group Tours with Kuoni DMC	Group tours from around the world have enjoyed organised 4 to 6 day programmes around the LBVCR weekend. If you would like to arrange a group of enthusiasts from your country we can provide an organised tour programme.	Contact Kuoni direct as per reverse.
